NORML SHOW LIVE

Marijuana, Hemp, Cannabis, Pot,
Ganja, Herb - no matter what
you call it, whether it is used for
medicinal purposes, industrial
materials, or personal relaxa-
tion, the topic of marijuana
legalization is the hottest politi-
cal topic in America today.

Since 1970, NORML, the
NATIONAL ORGANIZATION FOR
THE REFORM OF MARIJUANA
LAWS, has been at the forefront
in the battle to end America's
most recent failed attempt at
Prohibition.

Now with **NORML SHOW
LIVE - MARIJUANA NATION™**,
NORML's informative and enter-
taining webcast program, you

can keep up with the latest in
marijuana law reform every
day.

NORML SHOW LIVE airs
every weekday at 1pm and is
the only live daily profes-
sional talk radio show dedi-
cated to the cannabis com-
munity and backed by the sci-
ence, expertise, and legacy of
NORML. The show is then ar-
chived for podcast as the
NORML Daily Audio Stash.

NORML SHOW LIVE also
features live 420/24/7/365™
Chat and the Toker Tunes
Megamix of 420-Music from
